Capri 4 at Heritage Oaks

"Green" Showcase Home

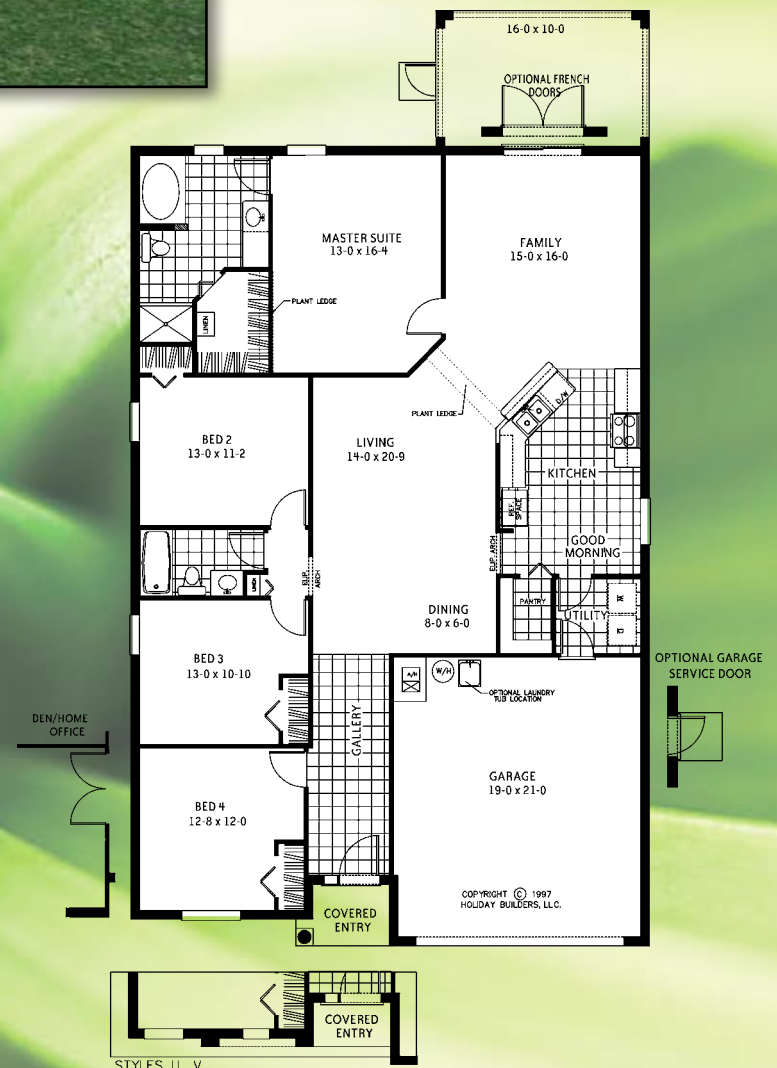

"Green" Showcase
\$225,599

1709 Maeve Circle, West Melbourne, FL 32904 1-866-768-5590

Are you curious about what it means to build a "Green Home?" Take the self-guided walking tour at Holiday Builders Green Showcase Home to learn about materials and techniques utilized in this home to help it meet the Florida Green Building Coalition Green Home Standards. Learn what makes it Energy Star® Certified, what aspects in addition to energy are considered when building a Green Home, plants and irrigation techniques that help create a Waterwise Florida Landscape and how any property owner can create a National Wildlife Federation Certified Wildlife Habitat™. Materials, handouts and prizes will be available to help you make some of these green changes in your own home and property.

- Screened lanai
- Deluxe landscape package
- Irrigation system with well
- Underground electric
- Community pool
- Numerous energy smart features
- 2-year builder warranty
- 10-year structural warranty
